Lady Road Diversion

In addition to the traffic circular (TC23/370) issued, please find some further guidance on the **Moredunvale** area of the diversion for **Services 24 & 38**, for those drivers who are unfamiliar with the area. *(For further guidance, Services 8 & 400 operate via these streets on their normal routes in in this area).*

Moredunvale Road into Craigour Drive - this is a **tight left turn**, requiring buses to use both sides of Moredunvale Road and Craigour Drive to make the turn. Proceed with caution and ensure both roads are clear before committing to the turn.

Gilmerton Road into Moredunvale Road - this is a **tight left turn**, buses should use make the turn into Moredunvale Road as wide as possible. Ensure Moredunvale Road is clear before committing to the turn.

Following the one way system is essential as Moredunvale Road is not wide enough for two buses to pass each other safely.
