

ONE PLAN ONE PLACE

Having all your pension plans in one place could make it easier to plan for the future you want. We're here to help you find out if it's right for you.

Find out more about transferring your pension using the Scottish Widows App.

Pension transfers require careful consideration as there are a number of things you need to understand before deciding if it's right for you. We don't offer financial advice as part of this process and we won't compare pension charges for you, so you'll be responsible for making sure that transferring is in your best interest.
